

## Network Services and Equipment Terms and Conditions

The following terms and conditions (“Terms and Conditions”) apply to end-users (“Customers”) using satellite services and/or terrestrial based network connectivity services, including but not limited to VSAT, uplink/teleport services, colocation, Internet and private terrestrial access services (collectively “Services”) and/or associated sale or rental of equipment (“Equipment”) (collectively “Network Services”) provided by TrustComm, Inc.

### 1. PROVISION OF NETWORK SERVICES BY TRUSTCOMM

- (A) These Terms and Conditions, a TrustComm Subscriber Application (“Subscriber Application”), a Service Order Agreement (SOA) if applicable and/or Customer’s written acceptance of a TrustComm quotation, when taken together, will govern the provision by TrustComm of Network Services to Customer. There are no other agreements (oral or implied), warranties or understandings, and from time to time, TrustComm may, at its sole discretion, add, delete or modify the portfolio of Network Services made available to Customer under these Terms and Conditions.
- (B) In the absence of an SOA or a quotation signed by Customer, Customer’s verbal instruction or issuance to TrustComm of a purchase order, work order, work ticket or other form of written order on Customer’s standard form (collectively “Purchase Order(s)”) will constitute Customer’s acceptance of a TrustComm quotation. Any Customer Purchase Order for Network Services accepted by TrustComm will be treated as an administrative document only and will not add to, delete from, or change any of these Terms and Conditions. All future orders for Network Services will be governed by these Terms and Conditions, unless otherwise agreed in writing. Future orders will be subject to TrustComm’s acceptance, which may be withheld for any reason or for no reason.

### 2. SERVICE AND EQUIPMENT SPECIFIC TERMS AND CONDITIONS

- (A) Satellite Communications Services.
  - (1) TrustComm owns and operates teleport facilities located on Ellington Joint Reserve Base in Houston, Texas. In addition, TrustComm operates teleport and network facilities internationally; however, TrustComm does not own or operate its own satellite(s) nor does it own all terrestrial connectivity used to provide the Services. Accordingly, TrustComm purchases satellite capacity and terrestrial connectivity from third party suppliers (collectively “Suppliers”).
  - (2) Customer understands and acknowledges that the obligations of TrustComm and the provision of Services and sale or rental of Equipment under these Terms and Conditions are subject to the terms of the agreements under which TrustComm purchases the Services and Equipment from Suppliers (each an “Other Contract”). To the extent fulfillment of any obligation of this Agreement is not permissible or possible under an Other Contract, the Other Contract will prevail and such obligation will be suspended or modified to the extent required by the Other Contract. TrustComm shall use commercially reasonable efforts to notify Customer in advance of a suspension, modification or discontinuation of any of the TrustComm Services or Equipment, but TrustComm may nevertheless modify or discontinue any of the TrustComm Services or Equipment at any time

without notice or liability. TrustComm represents and warrants that it is not presently aware of any material respect in which these Terms and Conditions are inconsistent with an Other Contract.

- (3) Full Period Services. Services may be temporarily unavailable or limited because of limitations, network equipment failures or distress or any other emergency pre-emption as required by TrustComm or a Supplier. Services may also be temporarily interrupted or curtailed due to modifications, upgrades, repairs or similar activities of a TrustComm Supplier. TrustComm will have no liability for those Services (i.e., satellite capacity and/or terrestrial connectivity) provided by its Suppliers.
- (4) On-Demand Services. Services provided on an "On-Demand" basis are subject to the availability of capacity on the applicable satellite network. Services may be temporarily unavailable or limited because of capacity limitations, network equipment failures, satellite coverage, satellite viability, atmospheric and like limitations or distress or any other emergency pre-emption as required by TrustComm or a Supplier or may be temporarily interrupted or curtailed due to modifications, upgrades, repairs or similar activities of a Supplier. TrustComm has no liability for unavailability or malfunction of Suppliers' networks.
- (5) Where applicable, the use and restoration of Services shall be in accordance with Part 64, Subpart D of the U.S. Federal Communications Commission (FCC) Rules and Regulations which specify the priority system for such activities.
- (6) Improper Illumination. "Improper Illumination" is defined as any of the following: (a) transmissions other than as specified in writing by TrustComm, or (b) transmissions of an incorrect frequency, or (c) transmissions at excessive power levels, or (d) any illumination that could cause harm to or interference on any transponder or space segment on any satellite. If TrustComm detects or is informed of any Improper Illumination of any Service provided under these Terms and Conditions, TrustComm will immediately notify Customer. Customer shall take immediate corrective action to stop the Improper Illumination. If capable, and as soon as capable, TrustComm will temporarily suspend, with no liability to Customer, any affected Services should Customer be unable to rectify the Improper Illumination within five (5) minutes from notification by TrustComm of the Improper Illumination. Such affected Services will be suspended until Customer demonstrates to TrustComm's sole satisfaction that the Improper Illumination is rectified. Customer will be charged and will pay any amount that TrustComm is required to pay to its Supplier or other telecommunications service provider(s) under any Other Contract due to any Improper Illumination attributable to Customer. TrustComm will timely inform Customer in writing of any liability TrustComm incurs as a result of such Improper Illumination. It is Customer's responsibility to provide TrustComm prior to the implementation of Services with a telephone number(s) at which TrustComm can contact Customer twenty-four hours per day, seven days per week, 365/366 days per year. In addition, TrustComm has the right, in its sole discretion, to take immediate action, including but not limited to suspending or terminating any affected Service(s), in order to protect TrustComm's services and/or interests.
- (7) Customer is liable for the content it transmits, posts, distributes, stores, or hosts through the use of the Services or Equipment ("Customer Content"). Customer acknowledges that TrustComm does not monitor such content. Neither Customer nor any person or entity on their behalf shall use the Services to post, transmit, distribute, or store any content or information: (i) in violation of any applicable law, statute, code, ordinance or regulation; (ii) in a manner that will infringe the intellectual property or other proprietary rights of TrustComm or any third party; (iii) that is defamatory or libelous; or (iv) that contains any viruses, Trojan horses, worms, time bombs, cancel bots or other computer programming routines that are intended to damage, detrimentally interfere

with, surreptitiously intercept or expropriate any system, data or information (personal or otherwise). TrustComm has the right, in its sole discretion, to take immediate action, including but not limited to, suspending or terminating any Service(s) that violate the content requirements. Further, Customer will not use the Services or Equipment provided hereunder in an abusive or fraudulent manner, including but not limited to:

- a) Accessing or attempting to access Services by using an unauthorized device or tampering with or altering Equipment;
- b) Obtaining or attempting to obtain permission to use the Services by providing false or misleading information;
- c) Obtaining Services or Equipment without having the intent to pay charges incurred;
- d) Intentionally interfering with or causing disruption in the provision of Services to other TrustComm Customers;

### 3. PAYMENT TERMS

(A) Acceptance of Service(s). Billing for Services (or any part thereof) will commence upon Customer's acceptance of Service at each Customer site. For the purpose of these Terms and Conditions, acceptance is defined as follows: the earlier of (i) Customer's signature of a Service Acceptance Certificate or forty-eight (48) hours from implementation and/or activation of Services at the Customer site, provided that Customer does not notify TrustComm in writing that the Services failed to perform in accordance with the specifications in a material aspect within the 48-hour time period.

(B) Invoicing and Payment.

i) For Services. TrustComm will invoice Customer the following amounts, as applicable: (i) deposit; (ii) non-recurring charges; and (iii) the first monthly recurring service charge ("MRSC") for the Services as specified in the quotation. Customer shall pay invoiced amounts to TrustComm in full, without the requirement of notice and without offset or deduction, in U.S. Dollars by wire transfer to such bank account as designated by TrustComm within thirty (30) days from the date of the invoice. Payment shall be deemed made as of the date and time of receipt by TrustComm. TrustComm shall invoice monthly in arrears at TrustComm's then current standard rates for any services provided on a time and materials basis, and monthly in advance for any MRSC. For the avoidance of doubt, timely payment shall be a material term. A late payment charge of 1½ percent per month or the maximum rate permitted by law, whichever is lesser, shall be added to past due balances from the original due date. Partial-month Services shall be pro-rated based on a thirty (30) day month. Partial-day Services shall be considered a full day.

ii) For Equipment. Unless otherwise agreed in writing by the parties or specified in a quotation, invoices for Equipment will be sent on or after the date of shipment and will include all applicable Taxes (see E. below). Customer shall pay invoiced amounts to TrustComm in full within thirty (30) days from the date of the invoice, without the requirement of notice and without offset or deduction, in U. S. Dollars by wire transfer to such bank account as designated by TrustComm. Payment shall be deemed made as of the date and time of receipt by TrustComm.

(C) Deposits. TrustComm may require payment of a deposit from the Customer prior to ordering or commencement of Services (or at a later date) or prior to purchasing Equipment of such amount as TrustComm reasonably requires as security for the payment of any charges payable under the applicable quotation. TrustComm shall repay any deposit held (or the balance of any deposit where any part of it has been used towards the payment of charges) to Customer upon the expiration or termination of Services.

(D) Disputed Amounts. Customer shall notify TrustComm within ten (10) days of receipt of an invoice in the event it disputes any invoiced amount, and shall timely pay any undisputed charges. In the event that any disputed amount is not paid in full when initially due and said amount is later determined to be a valid charge, TrustComm shall assess and Customer shall pay a late payment fee of 1½ percent per month or the maximum rate allowed by law, whichever is lesser, calculated against the outstanding balance from the original date due plus costs of collection including reasonable attorneys' fees

(E) Additional Charges. All charges payable by Customer hereunder shall be net of any and all sales, use, withholding or other taxes, duties, fees, assessments (including government and/or signatory "mark-up" on space segment), or similar liabilities, however denominated, which may now, or hereafter, be levied on the Services and/or Equipment provided by TrustComm, or payments made under these Terms and Conditions, chargeable to or against Customer or TrustComm by any applicable government authority, including any regulatory body (collectively, "Taxes"). All Taxes shall be the responsibility of, and payable from its own account by, Customer. To the extent any Taxes are imposed against and required to be paid by TrustComm, TrustComm shall pay such Taxes directly to the relevant government authority and Customer shall reimburse TrustComm for the full amount thereof, in accordance with the payment terms herein, for such payments upon receipt of an invoice from TrustComm. Taxes imposed on the income or gross receipts of TrustComm shall be the responsibility of and payable by TrustComm. TrustComm will provide reasonable assistance to Customer to minimize the amount of such Taxes. TrustComm shall charge and Customer shall pay a three percent (3%) processing fee on all Customer payments made by credit card.

(F) Outage Credit.

i) For Services. Subject to paragraph (b) below and unless otherwise stated in a quotation, a pro rata credit allowance ("Outage Credit") will be given to Customer for the total Outage period(s) during any given consecutive twelve (12) month period, not including the period permitted under the service availability commitment (e.g. for a service availability commitment of 99.5% in any given twelve (12) month period, Outages totaling 0.5% or less would not be subject to an Outage Credit). For Services, an Outage is defined as a complete loss of the ability to originate or receive voice or data communications causing the service availability to fall below the service availability commitment specified in a quotation in any twelve (12) month period.

ii) For terrestrial (e.g. backhaul) services. TrustComm will specify in the quotation to Customer the service availability that it receives from its Suppliers, if any. In the event of failure or degradation of a terrestrial service, TrustComm will pass through and credit Customer's account with a rebate equal to the rebate that TrustComm receives from its Suppliers, if any.

Outage Credit, if any, will be applied against the charges payable to TrustComm and will be expressly indicated on the final invoice to Customer for the 12 month period in which the Outage Credit applies, for the period of the Outage, or prorated portion thereof, after written request to TrustComm. No other liability may in any event attach to TrustComm on account of interruption or failure to provide the terrestrial services. All Outage Credit(s) will be treated as liquidated damages and not as penalties. Outage Credit does not apply to Outages, (i) caused by Force Majeure, (ii) caused by the negligence of Customer or others authorized by Customer when using Equipment, (iii) caused by power failures or similar occurrences not attributable to TrustComm, (iv) occurring during periods when Customer has elected not to allow for testing or repair, (v) caused by rain fade, solar outages or flares, extreme weather, or damage to satellites, or (vi) caused by the failure of equipment or facilities not provided by TrustComm.

Service terms of less than twelve (12) months for Services or terrestrial services are not eligible for Outage Credit.

#### 4. EQUIPMENT

- (A) Delivery/Risk of Loss/Title. Equipment shall be shipped FOB Origin or Plant, or in the case of international shipments EXW TrustComm's facility INCOTERMS® 2013 Risk of Loss in the Equipment shall transfer to Customer upon delivery to the common carrier at TrustComm's facility. Notwithstanding anything contained here to the contrary, Customer shall be responsible for all costs of shipping and importation from TrustComm's facility to Customer's destination, including, but not limited to VAT, sales, use, or privilege taxes, import duties or excise taxes, or any similar charge which may be levied as a result of the shipment of any Equipment to Customer. TrustComm shall use commercially reasonable efforts to make arrangements with a common carrier designated by Customer, at Customer's expense, to accept the Equipment at TrustComm's facility for shipment. If Customer is unable to accept shipment or delivery of Equipment for any reason, TrustComm will store such Equipment, subject to availability of space, free of charge for a period of thirty (30) days. If at the end of such 30 day period Customer is still unable to accept shipment or delivery, then TrustComm will charge Customer and Customer will pay TrustComm a storage fee of one hundred dollars (\$100.00) per month, on a pro-rata basis, for each 4 ft x 4 ft x 4 ft pallet space, or fraction thereof, required to store the Equipment. Customer will be solely responsible for risk of loss or damage in any Equipment stored by TrustComm pursuant to this clause. Title to Equipment will transfer from TrustComm to Customer upon TrustComm's receipt of payment in full for the Equipment.
- (B) Security Interest. TrustComm retains a purchase money security interest in the Equipment and all proceeds of the Equipment, including, but not limited to, insurance proceeds, to the extent such Equipment is shipped but not paid for in full. Failure of Customer to pay all charges related to any Equipment when due shall give TrustComm the right, without liability, to repossess the product, with or without notice or court order, and to avail itself of any legal remedy. Customer agrees to execute and deliver such financing statements and other documentation as TrustComm may reasonably request to perfect and protect TrustComm's interest in such Equipment.
- (C) Manufacturer's Warranties. To the extent permitted by or available from the third party manufacturer of any Equipment, TrustComm will pass through to Customer any warranties provided by such manufacturer. Unless stated otherwise in the quotation or elsewhere in these Terms and Conditions, Customers' sole recourse for breach of such warranties shall be to make a claim directly to the applicable manufacturer.
- (D) Use of Customer Equipment. Title to all equipment and facilities that TrustComm uses to provide Services will remain with TrustComm. If Customer connects its own equipment to TrustComm's Equipment, Customer must ensure that such equipment is compatible with and does not harm, impair or interfere with the technical integrity of the Services, TrustComm's network or its Suppliers network(s), or any other services or customers of TrustComm. Customer is responsible for the compatibility of its equipment with the network and failure to do so will constitute breach by Customer of these Terms and Conditions. Customer will provide and pay for all equipment and services required to connect Customer-provided equipment to the Services. Notwithstanding the foregoing, Customer may, subject to TrustComm's consent, appoint TrustComm as its agent for purposes of procuring related telecommunications services, in particular, local exchange, backhaul, interexchange, or bypass carrier facilities ("Facilities") to terminate Customer's calls to Customer's designated location(s). Customer will be responsible for payment for all such Facilities. Customer

shall be liable and responsible for all actions and obligations incurred on its behalf by TrustComm in its capacity as Customer's agent pursuant to this Article, and shall accept and pay TrustComm for all flow-through costs associated with such Facilities (or the termination of such services), including without limitation, all installation fees and monthly recurring fees, plus any applicable taxes. Customer acknowledges and agrees that TrustComm will have no liability or responsibility for any Facilities. Any service level parameters and related warranties, pricing, surcharges, outage credits, required commitments, termination liability and other terms relating to the Facilities are those of the third party provider or carrier of such Facilities, and not TrustComm.

(E) Order Cancellation.. Once Customer places an order with TrustComm, that order is not cancellable unless Customer provided written notice of cancellation to TrustComm within five (5) business days after placement of the order. In the event that Customer returns any Equipment to TrustComm for warranty purposes, in accordance with these Terms and Conditions, Customer will bear all shipment and insurance costs related to such return shipment. All Equipment returned to TrustComm must have a TrustComm-issued Returned Merchandise Authorization ("RMA") number prominently displayed on the packaging and must be returned to the TrustComm facility as directed by TrustComm. An RMA number may be obtained by calling TrustComm's S-NOC at +1-832-448-1030 or by email at S-NOC@trustcomm.com. Equipment returned without an RMA number will be returned to Customer at Customer's expense.

(F) Installation and Maintenance

- a) The date for Service implementation or Equipment installation and/or maintenance services to be performed or provided by TrustComm will be as set forth in the applicable quote or mutually agreed otherwise by the TrustComm and Customer (the "Start Date"). Customer shall furnish access to and egress from Customers' premises, and appropriate workspace for any TrustComm personnel working at Customer's premises as necessary for performance of those portions of the services to be performed at Customer's premises. Customer shall timely procure, at its own cost, all zoning/planning permissions, property permits, landlord consents, and any other licenses of any kind necessary to receive and use the Services and Equipment. TrustComm shall not be liable for failure to the to meet the Start Date when such failure is due to an act or omission by Customer. Customer will reimburse TrustComm for all out-of-pocket expenses incurred by TrustComm as a result of failure to meet the Start Date caused by Customer. Customer's sole remedy for a failure by TrustComm to implement Services, install Equipment or provide maintenance services by the Start Date or provide Services at any time during the contracted term will be for Customer to request an Outage Credit as specified in Article 3 (F).
- b) If stated on the quotation, and unless otherwise agreed, installation services will be provided by TrustComm or its subcontractors, on a time and materials basis at TrustComm's then current rates for labor, or at the rates set forth in the applicable quotation.

Customer agrees to comply with all reasonable instructions that TrustComm may give, from time to time, and to provide all necessary assistance to TrustComm in diagnosing any Service faults.
- d) Where required by law or regulations or at the request of TrustComm, Customer will install, maintain and/or pay reasonable expenses incurred by TrustComm to provide special facilities and protective apparatus at locations involving high voltage power and/or

hazardous materials.

## 5. CANCELLATION/SUSPENSION /TERMINATION OF SERVICES

### (A) By Customer.

- 1) Customer may cancel Services prior to Service Acceptance or may cancel Equipment in accordance with Section 4(E). In the case of such cancellation of Services, Customer shall notify TrustComm in writing in accordance with Article 18, Notices, of such cancellation or termination and shall reimburse TrustComm for all costs incurred by TrustComm up to and including the date TrustComm receives and acknowledges such written notice plus an administrative fee equal to fifteen percent (15%) of such costs.
- 2) Customer is responsible for notifying TrustComm, in writing, of any requirement to terminate or temporarily suspend Services. Such termination or temporary suspension of Services will be effective only after TrustComm's receipt of Customer's written request and TrustComm's acknowledgement of receipt of Customer's written request. TrustComm will use reasonable endeavors to respond to Customer's written request within one (1) business day. All such requests must be in writing and sent to: (Fax): +1-281-999-4455 or (Email): cancellations@trustcomm.com. There will be no pro-rata refunds for termination or suspension of Services. Customer will remain liable for all charges including, but not limited to, MRSC up to and including the last day of the billing period in which TrustComm acknowledges receipt of Customer's written request for termination or temporary suspension of Services. In the event Customer terminates Services prior to expiration of the contracted term specified in the quotation and/or in an applicable SOA, TrustComm will accelerate all applicable MRSC for the balance of the term including other fees and payments due with respect to the terminated Services, and Customer shall pay TrustComm a termination fee as liquidated damages and not as a penalty an amount equal to the remaining number of months in the term of service times the MRSC plus all other charges, fees, and payments accrued prior to the date of the termination.

In the event Customer terminates these Terms and Conditions in accordance with the foregoing, Customers must cease use of the Services, and no further payments shall be payable by Customer, except for payments concerning obligations relating to periods prior to and including the termination date.

### (B) By TrustComm.

- 1) TrustComm may terminate provision of Network Services without liability: (a) immediately upon written notice if TrustComm is prohibited from furnishing any of the Services or Equipment set forth in the quotation by any applicable government authority; (b) upon thirty (30) days written notice if a change in any applicable law or regulation materially increases TrustComm's cost to provide any of the Services or Equipment, or (c) in the event that an Other Contract for the purchase of Services or Equipment expires or is terminated, provided that termination will only be with respect to the Service and/or Equipment provided pursuant to that Other Contract.

- 2) In addition, notwithstanding any other term or condition of these Terms and Conditions, TrustComm may, with no liability whatsoever, suspend or terminate the provision of Services, in whole or in part, upon written notice to Customer if:
  - a) Customer breaches any term of these Terms and Conditions and such breach is not cured within thirty (30) days (or ten (10) days for breach of a payment obligation);
  - b) lawfully ordered to cease operation of Services by the Federal Communications Commission, a state or federal court of law, or any other lawful federal, state or local governmental authority. If at any time during the term of these Terms and Conditions any equipment, facilities, or property used by TrustComm to provide Services to Customer are taken for a public or quasi-public purpose by a lawful power or authority under the exercise of right of condemnation or eminent domain, TrustComm will have the right, upon written notice to Customer, to terminate the Services affected by the taking;
  - c) Customer violates any laws or regulations of any applicable government authority in connection with Customer's use of any of the Services or Equipment;
  - d) Customer assigns or attempts to assign this Agreement, an Order, or any rights thereunder, to a third party except as permitted by these Term and Conditions;
  - e) Customer commits any action or makes any representation related to TrustComm that is not expressly authorized by this Agreement; or
  - f) Customer files a bankruptcy petition or has such a petition filed involuntarily against it, becomes insolvent, makes an assignment for the benefit of creditors, consents to the appointment of a trustee, or if bankruptcy, reorganization or insolvency proceedings are instituted by or against it.

In the event of termination pursuant to the above, TrustComm will accelerate all applicable MRSC for the balance of the term including other fees and payments due with respect to the terminated Services, and Customer shall pay TrustComm a termination fee as liquidated damages and not as a penalty in an amount equal to the remaining number of months in the term of service times the MRSC plus all other charges, fees, and payments that had accrued prior to the date of the default or breach, together with all other costs and expenses of collection, including reasonable attorneys' fees.

CUSTOMER ACKNOWLEDGES THAT THE PRECISE AMOUNT OF TRUSTCOMM'S DAMAGES WOULD BE EXTREMELY DIFFICULT TO CALCULATE AND THAT SUCH TERMINATION FEE REPRESENTS A REASONABLE ESTIMATE OF TRUSTCOMM'S ACTUAL DAMAGES.

The rights of termination, restriction or suspension set forth in this Article are in addition to any other remedies available to TrustComm under these Terms and Conditions, or at law or in equity.

Such information will not be released by TrustComm to anyone other than: (i) Customer; (ii) a person who in the reasonable judgment of TrustComm is acting as an agent of Customer; (iii) to the
